

Homework 4  
*Math 611 Probability*

due Monday Oct. 27 2008 by 6:15pm

From the problems in the handout do the following exercises: 33, 35, 36, 39, 52 ( replace 34 with 35 in this problem), 46, 47, 49

As always any exercises assigned in class count for bonus points.
