MA 222. Assignment 7

due Thursday Jun. 30, 2011 at the beginning of the class.

For this assignment please solve the following problems. The problems listed with page numbers are from the ninth edition. You can either use that textbook or the handout given in class. You will be given this handout on Thursday June 23. The bonus problems are worth 3 points each and need to be done completely to receive credit.

Page	Exercise
259	8.45
259	8.48
